

Emergency Aid Camp Infrastructure

Squatting Plates / Slabs

Providing hygienic emergency latrine facilities for the improvement of sanitation or to upgrade existing facilities. The plates fit neatly and securely into our rapid latrine and Butyloo units.

- Resistant to most commonly known chemicals, urine and faeces.
- Grey colour, smooth surface for easy cleaning.
- Easily removable drop hole cover, reducing odour and fly nuisance.
- Vermin and termite proof.
- Prepared with tabs to enable fitting of a water bowl / pour flush if required.
- Designed with fixing holes at each corner to allow for privacy screening / shelter sheeting.

Product dimensions:

Small size. 790 x 590 x 62mm
(64 pieces per euro pallet)

Large size. 1195 x 795 x 70mm
(32 pieces per euro pallet)

The large squatting plate features an optional water bowl which can be mounted beneath the plate. The water bowl has a smooth surface for easy cleaning and is easy to install using a click on system. Expected lifetime is over 3 years in sunny / warm climates.

Squatting plates / slabs and pour flush bowls form part of our larger range of water and sanitation equipment.
